

Thank you for your participation!

Homes with Hope is pleased to announce that more than \$32,000 was raised as a result of *The Diamonds or Denim Events*. All proceeds from the events support children in need of safe and loving homes and the families that are able to provide them through foster care and/or adoption.

We are so grateful to have a community of people who eagerly invest their time, talents and financial gifts. The investments that are made are not just for today but will impact generations.

Blessings, Tricia Herren - Executive Director

Thank you, thank you, for all of the help and dedication of our volunteers!

Special thanks to the donors who made both of our auctions such a great success ...
