

Homes with Hope

Volume 2, Issue 3 December 2005

A community designed for children in foster care

We have had the privilege of caring for 9 children this past year. We currently have 3 children in care, including our December baby, 2 week old Jack. We are thankful for each and every child and look forward to helping even more this coming year! Thank you for your support in helping us care for these children. Sincerely, Tricia Herren

Generous, Faithful and Surprise financial gifts in 2005

The Children's Fund

We have the honor of being selected, for a second year, as a charity supported by The Children's Fund with a grant pledged in the amount of \$30,000. We appreciate their support and belief in our vision and we are very grateful for their generosity. The money will be awarded to us in June 2006.

Living Proof Ministries

Beth Moore's ministries surprised us when we needed it the most ... a special financial gift of \$5000. Thank God for praying women!

Rita Springer Benefit Concert

Last July Rita graciously donated her time and expenses in helping us raise over \$6,000 to care for these foster children and foster families.

Dinner at The Plaza

Our second annual fund raising dinner in September was attended by about 100 generous friends who helped us raise \$23,000. Special thanks to the event sponsors:

Connections Center, Deerwood Homes, Sage West Office Supplies, Dr. David and Helen de lemos, Dr. Louis and Jane Pisters, David and Katie Achim, Jaci Day, and Josephine Callegari.

We are also grateful for the steadfast support of the Houston, Pearland and Sugar Land Vineyard Churches and committed individuals who keep the doors open and the ministry moving ahead!
