### In 2005 we focused on:

- Building a quality training program
- Establish our parent "share group"
- Redefining the requirements for respite (relief) parents
- Learning the "system" to more effectively work with DFPS (Department of Family and Protective Services)
- Establishing 3 solid fund raising events

### Our 2006 goals include:

- Recruit and train more families
- Further develop the respite care program to give our foster parents needed breaks
- Develop a new parent training class: Special Infant Care
- Organize social gatherings to build our community support - including a big 'ole Christmas Party!
- Increase our financial support
- Reorganize and strengthen our "prayer partner" support

## FOSTER PARENT TRAINING AVAILABLE

- P.R.I.D.E. class for our new foster parents
- CPR/First Aid class (Infant/Child)
- CPI - Crisis Intervention / behavior management course
- Psychotropic Medications class
- Documentation class
- Making Children Mind Without Losing Yours" video series by Dr. Kevin Leman (Facilitated by Ashlyn Hall & Ann McKitrick)

**NEW class in development:** *Infant Care for drug exposed babies, shaken babies and infants with broken bones*

We also offer a "Share Group" for our foster parents to connect with each other and relate their experiences under the leadership of a volunteer licensed therapist (Jessica Lewis, LPC)
