Stories about our foster children:

- **Jose** (who came to us on medication and is no longer in need of it) received the honor of **STUDENT OF THE MONTH** award in February. He attends Trinity Lutheran School and is in 2nd grade and is excelling with A's and B's! He also plays Little League Baseball—second base for the Dodgers!!
- **Nadia** has learned to play the piano since she has come into our care. She has a natural sense and love of music. She participated in her school talent show on May 3rd. She was the best piano player there!!!
- **Maribel** is doing really well in school and enjoys sports, especially soccer and basketball. Her foster family introduced her to soccer and she loves it!
- On a recent country drive to see the wild flowers **Nadia** and **Maribel** witnessed the birth of a filly. We were feeding some horses over the fence of a private ranch when one of the mares laid down and went into labor right in front of us, it was an amazing experience, biology lesson and all!
- Our new baby, 6 week old **Kenneth** came to us with a broken leg and several fractured ribs. Please pray for his healing and well being.
